Reviews

*Very good e-book and useful one. It is actually really fascinating through studying period. I found out this publication from my i and dad recommended this ebook to understand.
(Kassandra Ledner)*

THE ORGANISATION OF THE ORGANISATIONLESS: COLLECTIVE ACTION AFTER NETWORKS

Mute Publishing Ltd, United Kingdom, 2014. Paperback. Book Condition: New. 198 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.Rejecting the dichotomy of centralism and horizontalism that has deeply marked millennial politics, Rodrigo Nunes close analysis of network systems demonstrates how organising within contemporary social and political movements exists somewhere between - or beyond - the two. Rather than the party or chaos, the one or the multitude, he discovers a bestiary of hybrid organisational forms and practices that render such disjunctives false. The resulting picture shows how social and technical networks can and do facilitate strategic action and fluid distributions of power at the same time. It is by developing the strategic potentials that are already immanent to networks, he argues, that contemporary solutions to the question of organisation can be developed. Part of the PML Books series. A collaboration between Mute and the Post-Media Lab.
