Houghton Mifflin Harcourt Publishing Company, United States, 2015. Hardback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book. Whiskey fever is sweeping the world. Every day, craft distilleries are popping up in remote counties and urban centers, offering a wealth of great choices to consumers and just as many puzzlements. Does the introduction of a simple e to go from whisky to whiskey mean anything? What s the difference between Scotch and Rye? What s Canadian whisky anyway? And what about the whiskeys of Scotland, Japan, and Ireland? Where s a humble Joe to start? In this witty kid style book on an adult topic, Richard Betts boils down his know how into twenty pages, cooling our brown-sweat anxieties and dividing whiskey into three simple categories - Grain, Wood, and Place. While most whiskey tomes are about as fun as a chemistry lesson, Betts makes the learning slide down easy, reassuring us that this exalted spirit is just distilled beer and, through a nasal romp, helping us figure out which kinds we love best. Humorous illustrations and scratch-and-sniff scents (vanilla, sandalwood, grass, and more) help would be connoisseurs learn their personal preferences. Language label and Map to Your Desires included.
