Brand New Book ***** Print on Demand *****.Excerpt from American Spiders and Their Spinningwork, Vol. 2: A Natural History of the Orbweaving Spiders of the United States, With Special Regard to Their Industry and Habits With the completion of the second volume of American Spiders and their Spinningwork, I feel that have substantially ended the task which many years ago I proposed to myself. That task, as it lay in my purpose, was the description and illustration, in as large detail as possible, of the spinning industry and general habits of true spiders. Subsequently, as announced in the first volume of this work, my plan was so far modified as to make the spinningwork and habits of Orbweavers the principal theme, and to group around the same the industries of other spiders in such relations and proportions as seemed practicable. In the present volume I have adhered to this modified plan, but less closely than in the preceding one, having made large use of the natural history of other tribes than the Orbitelariae. It is probable that this volume will be more interesting than Volume I. both to the scientific and general public. It takes up the life history of spiders, and follows them literally from birth to death, from the cradle to the grave; more than that, it goes beyond the sphere of existing faunal life into the geologic periods, and touches upon the history and destiny of ancestral araneads who lived in the strange surroundings of prehistoric continents, the sites of which are embosomed in the rocks, or, like the amber forests, are now beneath the ocean. The courtship and mating of these solitary creatures; their maternal skill, devotion, and self sacrifice;...
