Brand New Book ***** Print on Demand *****.Excerpt from The Housing of the Working Classes and of the Poor A few words by way of preface will suffice to supply a key to the plan adopted in this little volume. Throughout it has been the set purpose of the writer to avoid every appearance of over-statement of the facts, and to keep clear of the hortatory method in bringing home the lessons to be learned therefrom. The facts are startling enough without the addition of realistic colouring, and if the arguments founded on them be sound, and the course of action suggested reasonable, there is no need for special pleading in the monitory style. In the discussion of the Housing Question there has been a vast expenditure of warmth, and even heat. What is wanted is less emotional fervour and more light, as a directing force. In treating the subject in this spirit the present writer has been much assisted by his predecessors in the same field. Apart om making fu Uuse of Blue Books and official reports, he haa freely availed himself of the information to be found in the works of Mr. George Haw, Dr. E. Bowmaker, Mr. T. Locke Worthington, the various tracts on the subject published by the Fabian Society, and that most valuable repertoire of reliable information, Mr. W. Thompson s Housing Handbook.
