

## The Little Red Lighthouse and the Great Gray Bridge

---

By Hildegard H. Swift, (Illustrator) Lynd Ward

HARCOURT BRACE JOVANOVIICH INC, 2003. PaperBack. Book Condition: New. First published in 1942, this beloved children's classic has been restored to its original design and - for the first time - includes the recently discovered original watercolor paintings by Lynd Ward. Built in 1880 of cast iron and steel, the 'fat and red and jolly' little lighthouse sits on the bank of the Hudson River in New York City. When the monumental George Washington Bridge is built overhead, the little lighthouse feels very, very small, but soon comes to understand its importance in guiding boats through dark and stormy weather. Color illus. 64p. (Ages: 3-7).

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
