## From Inquiry to Action: Civic Engagement with Project-Based Learning in All Content Areas

By Steven Zemelman

Heinemann Educational Books, United States, 2016. Paperback. Book Condition: New. 231 x 185 mm. Language: English . Brand New Book. Students learn to be active and responsible citizens by actually seeking to promote change, rather than just being-supposedly-prepared to be leaders in the future. -Steven Zemelman What really matters to your students? The issues in front of them at school and in life. When students inquire into those issues and know that their arguments will be read with a skeptical eye next week by the city council or published in the local newspaper, they re eager to research and find relevant information in nonfiction texts to bolster their claims. They become committed to write, revise, edit, and correct their grammar. They want to think broadly about what reasoning will be effective with their audience. Want that kind of engagement in your classroom? Whether you teach English, social studies, science, or math, From Inquiry to Action will show you how step-by-step. Its projects for civic-engagement help kids become not only college and career ready but citizen ready. And not ready someday, but right now! Research, argument, speaking and listening, close reading, writing for real audiences and purposes, and collaboration? It s...
