

Harrison Squared

By Daryl Gregory

Titan Books Ltd. Paperback. Book Condition: new. BRAND NEW, Harrison Squared, Daryl Gregory, Harrison is a lonely teenager, terrified of the ocean since a childhood sailing accident took his father - and his right leg. One of the "sensitives" who are attuned to the supernatural world, Harrison and his mother have just moved to the worst possible place for a boy like him: Dunnsmouth, a Lovecraftian town perched on rocks above the Atlantic, where monsters lurk under the waves, and creepy teachers run the local school. When Harrison's mother, a marine biologist, disappears at sea, his attempts to find her puts him in conflict with a strange church, a knife-wielding killer, and the Deep Ones. It will take all his resources - and an unusual host of allies - to defeat the danger and find his mother.

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
