

## Trading Systems: A New Approach to System Development and Portfolio Optimisation

By Emilio Tomasini, Urban Jaekle

Harriman House Publishing. Paperback. Book Condition: new. BRAND NEW, Trading Systems: A New Approach to System Development and Portfolio Optimisation, Emilio Tomasini, Urban Jaekle, 'The key is how to adapt existing codes to the current market conditions, how to build a portfolio and how to know when the moment has come to stop one system and start another one'. Every day there are traders who make a fortune. It may seem that it seldom happens, but it does - as William Eckhardt, Ed Seykota, Jim Simons, and many others remind us. You can join them by using systems to manage your trading. This book explains exactly how you can build a winning trading system. It is an insight into what a trader should know and do in order to achieve success in the markets, and it will show you why you don't need to be a rocket scientist to build a winning trading system. There are three main parts to "Trading Systems". Part One is a short, practical guide to trading systems' development and evaluation. It condenses the authors' years of experience into a number of practical tips. It also forms the theoretical basis for Part Two, in which readers...
