In a world of nonstop digital communication, it can be hard to hear the voice of God. What fans of Pastor Taffi Dollar already know and what you will soon discover is that we are never far away from His Grace. Embracing the Love God Wants You to Have is a powerful and practical guide to transforming our lives by nurturing our relationship with God first, then ourselves, and then others. In this treasured read, Taffi Dollar enlightens us on why it's not selfish to love ourselves because God loves us first, and always will. She teaches that it's normal to make mistakes, endure disappointments, and experience heartbreak. But through it all we can embrace God's love by the power of His Word. Drawing from her own life and marriage as well as from the wisdom she derives from ministering to hundreds of thousands of women, she counsels with warmth and compassion, offering solutions, suggestions, and the reminder that God's love is an ever-present wellspring of second, third, and fourth chances. Love is the most powerful gift we can give and the most enduring gift we will ever receive. Embracing the Love God Wants You to Have reminds us that our relationship with God is a love story, one that begins with opening our hearts and then sharing all of our light and love with the world.
