Born without her left hip and leg, she is no stranger to overwhelming impossibility. She's learned from childhood to rely fully on God, who constantly surprises her--and she and her Sudanese children, more than one hundred of them, have witnessed him moving in miraculous and wondrous ways again and again. Here she shares some of these amazing, inspiring stories. More than that, she shows how readers can genuinely, fully experience God in their everyday lives--whether in Africa or at home, wherever they are. She helps them understand what he looks like, what it means to hear his voice, what it's like to see a vision, and how to recognize the holy in the ordinary. With these practical keys, believers will be able to open the floodgates of life-changing, supernatural encounters with God.
