Brand New Book ***** Print on Demand *****.Excerpt from Lake Mahopac: Nature Studies and Historic Sketches That Lake Mahopac, so rich in history, tradition and scenic beauty, has not been the subject of some author s thought ere this is a matter of surprise to the writer. In my research work among people as well as books, I have striven to differentiate between the historical and traditional gleanings. To get at the real history of this lake, running back to the days of the Wappinger Indians, and to corroborate all the facts has not been an easy task. Large monetary results may not come from this volume, but I have gotten my reward in penning the lines that form it, for none could think and write upon the beauties and charms of Lake Mahopac without being lifted to an atmosphere higher and holier than envelops most places.
